SAVING OUR YOUTH HIGHLIGHTS  
November 24, 2021

### **REIMAGINING OLIVER HILLS WAY**

Some of our students are participating in the Reimagining Oliver Hills Way Project. This is a paid opportunity for them. The current building at 801 Oliver Hills Way will be demolished and a building will be constructed to use as a youth hub. Our students will help facilitate the creation of this youth specific space that will include 32 beds of temporary housing. Stay tuned for updates.

## RESURGENCE

Some of our students are members of the Resurgence at St. Giles Presbyterian Church. They had a retreat at Camp Willow Run this month and what fun they had!

### LEADING OUR LADY UPDATE

Leading our Lady Collaboration with Saving Our Youth and CVERP - Central Virginia Education Resource Program.

We met again to come up with more programming specifics for the Leading Our Lady Program starting in 2022. It will include 18 sessions. Over that 18 session period, our goal is for at least 85% of the high-risk teens that participate in the program will have stabilized or improved their documented status and overall wellbeing and receiving a certificate of completion.

*If you missed our Healthy Choice Paint and Sip on December 20th, join us in the spring when we do it again.*

### MESSAGE FROM THE EXECUTIVE DIRECTOR

I would like to take this time to wish everyone a very blessed Thanksgiving! Thanksgiving is a time to reflect on all of our blessings. May your tables be filled with good food, good friends and a happy family! Embrace everyone who has enriched your life this year, even if it's just with a phone call or an email message. Also, take the time to pray for those who do not have food, good friends and happy families to dine with on Thanksgiving Day. Pray that their next Thanksgiving is filled with so many blessings that their cup runneth over.
