

Introduction to Public Planning & Policies.

In this new after-school program, the students will learn how to get involved in the planning process to know how to make their communities better. They will learn about things like, how the money is spent in the city, voting power, etc. They will take field trips to places like City Hall, African American Cemeteries, etc. And also, very importantly, they will learn about career and how to seek opportunities in this field and we will seek internships for them.

All the youth are back in school now but I want to reiterate how much I enjoyed having them at our Virtual school hub.

Our World is in Their Hands

NOVEMBER 2021

Our youth liaisons are already on the job matching our youth with Education Resource Mentors. Each youth will be matched with one of our mentors. In some cases, the mentors are helping the students plan for the unknown because they have no idea what they want to do when they graduate from high school.

Welcoming New Youth

Our doors are open to welcome new youth to join our programs. For youth 14 - 18 they can join our CTW Program, City Builders and they can be part of the Resurgents.

For those 19-24 looking for employment, we have a Jobs For Life program starting soon in partnership with the Northside Outreach Center.

Resurgence Fun 7ime

As the summer came to an end, our students who are part of the Resurgence Program had the opportunity to have some fun on the lake with boating and fishing.

Message from the Executive Director

Thank you!

I want to thank everyone for your prayers, visits, and food after my recent knee operation. I thank God that everything went well and I'm back at the office. Of course with the new world of working at home through Zoom and other avenues, work never stops but it's not the same as handson, being at the office, and seeing the students in person.

Join Saving Our Youth VA and Transforming Today's Youth for a Healty Option Drink and Sip.

Place: Fountain of Yuice Location: 4354 Laburnum Ave. Across from White Oak Mall Date: Saturday, November 20th Time: 4:00PM – 8:00PM \$25 Donation includes 1

smoothie and paint items
