### *Summer Activities*

*Unfortunately, most of the youth in our program are in families that can't afford to take the wonderful summer vacation trips as many other youth do. So we schedule local and short distance fun activities for them during the summer.*

#### **DANCE CAMP**

##### **ATR DANCE EXPERIENCE**

Some of our young ladies enjoyed learning a little baton, majorette, ballet and jazz.

#### **FUNLAND**

We took a ride down to Fredericksburg to enjoy a day of fun at Funland. Everyone had a great day!

## MESSAGE FROM THE EXECUTIVE DIRECTOR

This newsletter is showing images of some of the activities we had this summer so far. Most of our youth don't go away on vacations during the summer so these simple trips and activities that may seem minor to some, are quite special to them.

This year school starts in August so we're gearing up for our fall programs. Our September schedule includes a new City Builders Design Workshop; Part 2 of Futures Without Violence; Empowered For Life; The Art of the Debate, Youth Pick Days, and Resurgence at St. Giles.

Thank you to all our donors who continue to make these programs possible for our youth. We know you have a lot of choices when it comes to donating. And we are grateful that you chose to donate to us. We promise to be responsible stewards of both your donations and your trust.

Jo White

*Thanking our current and future donors and volunteers for your generosity and your consideration for our cause.*
